

Bottles to In-Store Shopping bags

Our bespoke In-Store Shopping bags are produced using fully **certified recycled plastic bottles** (rPET), preventing plastic being dumped into landfill.

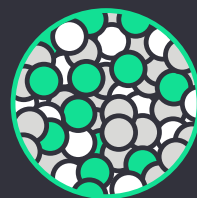

Woven together with Jute (50/50), this creates a fantastic looking bag suitable for any **high street retailer** as their In-Store Shopping basket.

1. Waste rPET bottles

2. Recover

3. Repelletised

4. Fabric

5. Shopper Bags
